

Business Forms Express Ltd have been trading for over 30 years and have established one of the most respected names in the Business Forms industry. We currently have a turnover of around £5 million, and have 44 employees at our 35,000 sq ft factory just south of Bristol.

Our key products are;

A4 Sheets - Everything is UV Dried.

This has become our core product over the last few years. Our Muller and Imer presses are fitted with high speed sheeters and we have the backup of the latest shrink wrapping and folding equipment to compliment the product. We can quote for quantities from just 1 box up to literally millions. Although the majority of orders A4, we can also sheet at A3 or any other required size.

Also available with **integrated label** patch.

Our stock preprint paper is NAVIGATOR, the top grade of paper in Europe, available from stock in 80gsm, 90gsm, 100gsm, 110gsm and 120gsm.

Continuous Stationery.

We have 2 different options on traditional business forms. One area of our factory is designated to short runs up to 10,000 quantities for quick deliveries using our Akira presses. We also have Muller presses and Bielomatik collators for the bigger or more complex orders. This means that we can quote for line gluing, perforating, numbering, and file hole punching, all produced in line without the cost of an extra manufacturing process.

Sizes - 3", 3.33", 3.5", 3.66", 4", 4.25", 4.5", 5", 5.5", 5.83", 6", 7", 7.33", 8", 8.33", 8.5", 9", 10", 11" 11.66", 12", 14", 16", 17", 18", 22", 23.3", 24", 25".

Glued Cutsets, Pads and Books.

Cut sets come straight off of our collator, ready glued and numbered. We produce books and pads with wire stitching or gluing, incorporating wrap around writing shields, printed covers and spine taping. All produced at our in house bindery.
