

Here to help

We're the national charity for people in printing, publishing, packaging, paper, and the graphic arts.

24/7 Helpline

Our free, confidential helpline is a friendly voice at the end of the phone to help you navigate through life's challenges.

It's available 24/7, 365 for in the moment emotional support and Monday-Friday for practical assistance.

Financial assistance

Our financial support helps those in need. Whether working, unemployed or retired from the sector, we have support available to you.

Sheltered homes

Our purpose-built sheltered homes in Bletchley and Basildon provide a safe and friendly environment for people who have retired from the sector.

Investing in the future

Our annual Rising Star Awards champion young talent providing funds for personal development. We support initiatives that drive diversity, training, and skills.

Industry partnerships

We work collaboratively with a variety of businesses, to understand the sector landscape and reach more people in need. We come together to celebrate our achievements at our Annual Luncheon.
